ARTICLE 1        PURPOSE

It is the purpose of this Memorandum of Understanding to promote and provide for harmonious relations, cooperation and understanding between Management and the employees covered by this Memorandum; to provide an orderly and equitable means of resolving any misunderstandings or differences which may arise under this Memorandum of Understanding; and to set forth the full and entire understanding of the parties reached as a result of good faith negotiations regarding the wages, hours and other terms and conditions of employment of the employees covered by this Memorandum, which understanding the parties intend jointly to submit and recommend for approval and implementation to the County's Board of Supervisors.

## ARTICLE 2            RECOGNITION

### Section 1.

Management recognizes LACEA, Local 660, SEIU, AFL-CIO as the majority representative for all Supervisory Artisan and Blue Collar employees currently and hereafter employed in the employee classifications in this unit as well as classifications which may be added hereafter by the Employee Relations Commission. Local 660 was certified by the County's Employee Relations Commission on April 30, 1970 (Employee Relations Commission File No. R-54-69) as the majority representative for the Supervisory Artisan and Blue Collar Representation Unit pursuant to a representational election duly held by ERCOM on January 23, and 26, 1970 to select a majority representative for the employees in said unit.

### Section 2.

Management agrees that it shall recognize LACEA, Local 660, SEIU, as the exclusive representative of the employees in this unit when County rules, regulations or laws are amended and LACEA, Local 660 has shown it has met the requirements of any such new rules.

ARTICLE 3            IMPLEMENTATION

This Memorandum of Understanding constitutes a mutual recommendation to be jointly submitted to County's Board of Supervisors. It is agreed that this Memorandum of Understanding shall not be binding upon the parties unless and until said Board of Supervisors:

- A. Acts, by majority vote, formally to approve said Memorandum of Understanding;
- B. Enacts necessary amendments to all County ordinances, including the Los Angeles County Code, required to implement the full provisions hereof; and
- C. Acts to appropriate the necessary funds required to implement the provisions of this Memorandum of Understanding which require funding.

Notwithstanding the foregoing, in the event the Board of Supervisors fails to take all actions necessary to timely implement this Memorandum of Understanding, it is understood that the parties may mutually agree to implement appropriate provisions of this Memorandum which do not require specific approval by the Board of Supervisors.

Implementation shall be effective as of the date approved by the Board of Supervisors. If the parties do not mutually agree to implement appropriate provisions of this Memorandum not requiring approval by the Board of Supervisors, then negotiations shall resume upon the request of either party.

ARTICLE 4        AUTHORIZED AGENTS

For the purpose of administering the terms and provisions of this Memorandum of Understanding:

- A.     Management's principal authorized agent shall be County's Chief Administrative Officer, or his/her duly authorized representative (Address: 222 North Grand Avenue, Los Angeles, California, 90012; Telephone: (213) 974-2404), except where a particular Management representative is specifically designated in connection with the performance of a specific function or obligation set forth herein.
  
- B.     The LACEA, Local 660, SEIU principal authorized agent shall be the General Manager, or his/her duly authorized representative (Address: 500 South Virgil Avenue, Los Angeles, California 90020; Telephone: (213) 368-8660)

ARTICLE 5            OBLIGATION TO SUPPORT

The parties agree that subsequent to the execution of this Memorandum of Understanding and during the period of time said Memorandum is pending before the Board of Supervisors for action, neither LACEA, Local 660, SEIU, nor Management, nor their authorized representatives, will appear before the Board of Supervisors or meet with members of the Board of Supervisors individually to advocate any amendment, addition or deletion to the terms and conditions of this Memorandum of Understanding. It is further understood that this Article shall not preclude the parties from appearing before the Board of Supervisors nor meeting with individual members of the Board of Supervisors to advocate or urge the adoption and approval of this Memorandum of Understanding in its entirety.

ARTICLE 6            NON-DISCRIMINATION

The parties mutually recognize and agree fully to protect the rights of all employees covered hereby to join and participate in the activities of LACEA, Local 660, SEIU and all other rights in the Employee Relations Ordinance and Government Code, Sections 3500 through 3511.

The provisions of this Memorandum of Understanding shall be applied equally to all employees covered hereby without favor or discrimination because of race, color, sex, sexual orientation, age, national origin, political or religious opinions or affiliations, or disability status or other factors not directly related to the successful performance of the job.

ARTICLE 7        TERM

The term of this Memorandum of Understanding shall commence on the date when the terms and conditions for its effectiveness, as set forth in Article 3, Implementation, are fully met, but in no event shall said Memorandum of Understanding become effective prior to 12:01 a.m. on October 1, 2003. This Memorandum of Understanding shall expire and otherwise be fully terminated at 12:00 midnight on September 30, 2006.

ARTICLE 8            RENEGOTIATIONSection 1.            Calendar for Negotiations

In the event either party hereto desires to negotiate the provisions of a successor Memorandum of Understanding, such party shall serve upon the other its written request to commence negotiations as well as its initial written proposals for such successor Memorandum of Understanding, during the period of May 15 to May 31, 2006.

Negotiations shall begin no later than June 15, 2006. If full and entire agreement on the terms of a successor Memorandum of Understanding is not reached by July 31, 2006, an impasse shall be automatically declared on those issues which remain in dispute unless the parties mutually agree to continue negotiations.

ARTICLE 9            WORK RELEASE FOR NEGOTIATIONS

It is the intent of the parties to engage in good faith negotiations and endeavor to reach agreement on a successor Memorandum of Understanding.

The Chief Administrative Office/Employee Relations Division will meet and consult with SEIU Local 660 thirty (30) calendar days prior to the commencement of negotiations for the purpose of obtaining information to ensure the release of a reasonable number of departmental employee representatives to attend and participate in successor contract negotiations.

For employees working on an evening or night shift the Chief Administrative Office/Employee Relations Division will coordinate temporary work schedule/shift changes with Departments subject to operational considerations to facilitate negotiations for a successor MOU.

The parties shall be guided by past bargaining practice and ERCOM decisional precedent in releasing employee representatives to attend contract negotiations.

SEIU Local 660 shall provide a final list containing the names and departments for bargaining committee members (regular members and alternates) to the Chief Administrative Office/Employee Relations Division at least thirty (30) days prior to the commencement of negotiations.

ARTICLE 10        COORDINATED BARGAINING

The parties agree that coordinated bargaining shall take place between the County and SEIU's Local 660 Bargaining Policy Committee. Such bargaining shall include general salary movement, employee benefits, term and common language provisions. Common language provisions shall be included in the individual unit MOUs.

Individual unit tables will continue to bargain economic matters including special pay practices, bonuses, recruitment and retention adjustments, step increases, differentials, and other compensation unique to their MOUs. Individual unit tables will also continue to bargain operational issues such as transfers, caseloads, training and other matters which are unique to their MOUs.

The Parties agree that the Fringe Benefits MOU will continue to be bargained between the County and SEIU's Local 660 Bargaining Policy Committee.

ARTICLE 11        GRIEVANCE PROCEDURESection 1.        Purpose

The purpose of the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee or employees who may submit or be involved in a grievance.

Section 2.        Definitions

1.     Wherever used the term "employee" means either employee or employees as appropriate.
2.     "Grievance" means a complaint by an employee concerning the interpretation or application of the provisions of this Memorandum of Understanding or of rules and regulations governing personnel practices or working conditions, which complaint has not been resolved satisfactorily in an informal manner between an employee and his/her immediate supervisor.
3.     "Business Days" mean calendar days exclusive of Saturdays, Sundays, and legal holidays.

Section 3.        Responsibilities

1.     LACEA, Local 660, SEIU, agrees to encourage an employee to discuss his/her complaint with his/her immediate supervisor. The immediate supervisor will, upon request of an employee, discuss the employee's complaint with him/her at a mutually satisfactory time.

2. Departmental Management has the responsibility to:
  - A. Inform an employee of any limitation of the department's authority to fully resolve the grievance; and
  - B. Supply the employee with the necessary information to process his/her grievance to the proper agency or authority.
3. The Union agrees to encourage an employee, who files a formal written grievance, to state clearly and concisely the specific action(s) being grieved, the article(s) violated and the specific remedy requested. If the grievance is returned to the employee, Management will state in writing the reasons for the return. If the grievance was timely filed, new time limits will be established in accordance with Section 7, Level 1 of this grievance procedure.

Section 4.            Waivers and Time Limits

1. Failure by Management to reply to the employee's grievance within the time limits specified automatically grants to the employee the right to process the grievance to the next level.
2. Any level of review, or any time limits established in this procedure, may be waived or extended by mutual agreement confirmed in writing.

3. If an employee fails to appeal from one level to the next level within the time limits established in this grievance procedure, the grievance shall be considered settled on the basis of the last decision and the grievance shall not be subject to further appeal or reconsideration.
4. By mutual agreement, the grievance may revert to a prior level for reconsideration.

Section 5.            Employee Rights and Restrictions

1. The employee has the right to the assistance of a Union representative in the preparation of his/her written grievance, and to represent the employee in formal grievance meetings.
2. The grievant may be required by either party to be present in meetings with Management for purposes of discussing the grievance.
3. A County employee selected as a representative in a grievance is required to obtain the permission of his/her immediate supervisor to absent him/herself from his/her duties to attend a grievance meeting. The employee representative shall give his/her supervisor reasonable advance notice to ensure that his/her absence will not unduly interfere with Departmental operations.
4. An employee may present his/her grievance to Management on County time. In scheduling the time, place and duration of any grievance meeting, both the

employee and Management will give due consideration to the duties each has in the essential operations of the department. No employee shall lose his/her rights because of Management imposed limitations in scheduling meetings.

Section 6.                    The Parties' Rights and Restrictions

1. Only a person selected by the employee and made known to Management prior to a scheduled formal grievance meeting shall have the right to represent or advocate as an employee's representative.
2. If the employee elects to be represented in a formal grievance meeting, the department may designate a Management representative to be present at such meeting.
3. Management shall notify LACEA, Local 660, SEIU of any grievance involving the terms and conditions of this Memorandum of Understanding.
4. The LACEA, Local 660, SEIU representative has the exclusive right to represent employees at any formal grievance meeting concerning a grievance that directly involves the interpretation or application of the specific terms and provisions of the Memorandum of Understanding.
5. If the LACEA, Local 660, SEIU representative elects to attend any formal grievance meeting, he/she must inform departmental Management prior to such meeting. The department may also designate a Management representative to be present at such meeting.

6. Only County employees who have direct, first-hand knowledge of the event giving rise to the grievance may be called on as witnesses by the grievant. Such witnesses may attend formal grievance hearings on paid County time.

Section 7.                    Procedures

Level 1.                    Supervisor

- A. Within ten (10) business days from the occurrence of the matter on which a complaint is based, or within ten (10) business days from his/her knowledge of such occurrence, an employee shall file a formal written grievance. Three copies of the departmental grievance form shall be completed by the employee stating the nature of the grievance and the remedy requested from his/her departmental Management. The employee shall submit two copies to his/her immediate supervisor and retain the third copy.
- B. Within ten (10) business days the immediate supervisor shall give his/her decision in writing to the employee on the original copy of the grievance and the reasons therefore.

Level 2.                    Middle Management

- A. Within ten (10) business days from his/her receipt of the supervisor's written decision and using the returned original copy of the grievance form, the employee may appeal to the appropriate level of Management as previously indicated by the employee's Department Head. The Department Head has the authority to waive the

middle Management level if such a level is not appropriate because of the size of his/her department.

The middle Management representative shall discuss the grievance with the supervisor concerned and the employee before a decision is reached by him/her.

- B. Within ten (10) business days from receipt of the grievance, the middle Management representative shall give a written decision and the reasons therefore to the employee using the original copy of the grievance. Upon request, a copy of the decision will be given to the Union Representative.

Level 3.                      Department Head

- A. Within ten (10) business days from his/her receipt of the decision resulting from the previous level, the employee may appeal to the Department Head using the original copy of the grievance.
- B. Within ten (10) business days from the receipt of the employee's grievance, the Department Head or his/her designated representative who has not been involved in the grievance in prior levels shall make a thorough review of the grievance, meet with the parties involved and give a written decision and the reasons therefore to the employee and the Union representative. However, the Department Head or designate is not limited to denying a grievance for the reasons stated at any previous level in the procedure. Upon request, a copy of the decision will be given to the Union representative.

- C. If the Department Head or his/her designated representative fails to give a decision within the specified time limit, the Union shall have the option of referring a grievance alleging a violation of the negotiated agreement between the parties to arbitration.
- D. On matters that are not subject to arbitration pursuant to Section 8 hereafter, the written decision of the Department Head or his/her designated representative shall be final.

Section 8.            Arbitration

- 1. Within thirty (30) business days from the receipt of the written decision of the Department Head, or his/her designated representative, LACEA, Local 660, SEIU may request that the grievance be submitted to arbitration as provided for hereinafter.
- 2. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of

Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.

- B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.
- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Administrative Office, or any other County Department, agency, or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- D. Grievances on competent or better performance evaluations which do not meet the guidelines set forth at the Employee Relations Commission meeting of December 19, 1986. Management shall notify the Union within fifteen business days prior to hearing if it intends to argue arbitrability. Both parties reserve the right to challenge a Commission decision in other forums.

3. In the event LACEA, Local 660, SEIU desires to request that a grievance, which meets the requirement of Paragraph 2 hereof, be submitted to arbitration, it shall within the time requirements set forth above send a written request to County's Employee Relations Commission, with a copy thereof simultaneously transmitted to County's Chief Administrative Officer and to the County Department Head or Officer affected. The written request shall set forth the specific issue or issues still unresolved through the grievance procedure and which are to be submitted to arbitration.
4. The parties shall select a mutually acceptable arbitrator and request the Employee Relations Commission to appoint him/her pursuant to their applicable rules and regulations. If the parties cannot agree on an arbitrator, they shall notify the Employee Relations Commission and request that they provide the parties with a list of five names from which the parties will attempt to mutually select an arbitrator. If the parties cannot mutually agree upon an arbitrator from the lists of arbitrators provided by the Employee Relations Commission, they will select an arbitrator through an alternate striking of names from that list. The party to strike the first name will be determined by chance.
5. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved. Arbitration hereunder shall be conducted in accordance with applicable rules and procedures adopted or specified by County's Employee

Relations Commission, unless the parties hereto mutually agree to other rules or procedures for the conduct of such arbitration. The fees and expenses of the arbitrator shall be shared equally by the parties involved, it being understood and agreed that all other expenses including, but not limited to, fees for witnesses, transcripts, and similar costs incurred by the parties during such arbitration, will be the responsibility of the individual party involved.

6. Prior to a hearing by an arbitrator, a representative of the County and the Union shall meet and prepare a submission statement setting forth the issue(s) to be determined which shall be submitted to the arbitrator. In the event the County and the Union cannot jointly agree on a submission statement, then at the hearing, each party shall present to the arbitrator, its own submission statement in which case the arbitrator shall determine the issue(s) to be resolved.
7. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
8. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever. The Union

may then resort to a court of competent jurisdiction to pursue whatever other legal remedies are available to it under the provisions of this Memorandum of Understanding.

9. A written decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

ARTICLE 12      GRIEVANCE MEDIATION

1. This procedure is an alternate dispute resolution and does not supersede the provision of Article 11, Grievance Procedure.
2. Only those grievances which meet the requirements for submission to arbitration pursuant to Article 11, Section 8, can be submitted to grievance mediation. Both 660 and Management must mutually agree to submit a qualifying grievance to grievance mediation.
3. After completion of the third level of the grievance procedure and by mutual agreement, either Management or Local 660 may request the assistance of a mediator from the State Mediation and Conciliation Service to resolve the grievance. It is the intent of the parties that the grievance mediation session shall begin as soon as practicable consistent with the mediator's schedule.
4. The parties agree that no stenographic record of the session will be made, there will be no representation by Counsel, and there will be no pre- or post-hearing briefs filed.
5. The mediator's role shall be to assist the parties to reach an agreement. The mediator shall not have authority to impose a settlement on the parties. Any final settlement of the grievance shall be reduced to writing and signed by Management, Local 660, and the grievant. The final agreement shall be binding on all parties. Final agreements reached by the parties shall not be published or precedent setting in any other dispute.

6. The mediator may provide the parties with a private, informal, non-binding assessment of the procedural and substantive merits of the dispute, and how an arbitrator may likely decide the grievance.
7. All mediation sessions shall be confidential. The content of the mediation proceedings including, but not limited to, settlement proposal or any concessions agreed to or offered during mediation shall not be admissible in an arbitration of this grievance or any other similar dispute.
8. The parties agree that the provisions of this Article shall not be subject to arbitration.

ARTICLE 13      GRIEVANCES - GENERAL IN CHARACTER

In order to provide an effective mechanism whereby disagreements between LACEA, Local 660, SEIU and Management concerning the interpretation or application of any of the provisions of this Memorandum of Understanding affecting the rights of the parties or the working conditions of a significantly large number of employees in the unit may be effectively resolved, the following procedures are agreed upon:

- A.      Where LACEA, Local 660, SEIU has reason to believe that Management is not correctly interpreting or applying any of the provisions of this Memorandum of Understanding, LACEA, Local 660, SEIU may request in writing that a meeting be held with the authorized representatives of the County who have authority to make effective recommendations for the resolution of the matter with copies to the Department Heads involved and to the Chief Administrative Officer. Such written request shall be submitted within thirty (30) business days from the occurrence of the matter on which a complaint is based or within thirty (30) business days from the knowledge of such occurrence and shall set forth in detail the facts giving rise to the request for the meeting and shall set forth the proposed resolution sought.

Within ten (10) business days of receipt of the request for such a meeting, the parties will meet for the purpose of discussing and attempting to resolve the disagreement.

- B.      Within ten (10) business days of such meeting, and in the event the matter is not satisfactorily resolved, LACEA, Local 660, SEIU, shall have the right to meet with

the principal representative(s) of the County who have the authority to resolve the matter. For purposes of this provision, Management's principal representative(s) shall mean the County Department Heads who have authority to resolve the matter or their authorized representatives, including the Chief Administrative Officer or his/her authorized representative.

- C. Within ten (10) business days after the meeting, Management's principal representative(s) shall respond to LACEA, Local 660, SEIU in writing, setting forth Management's decision and reasons therefore.
- D. Within ten (10) business days from receipt of Management's written decision, if the matter is not satisfactorily resolved, and if the disagreement meets the requirements of Section 8, Subsection 2 of Article 11 the disagreement may be submitted to arbitration in accordance with the provisions of Section 8 of Article 11 of this Memorandum of Understanding.

It is further understood that this Article is not intended as a substitute or alternative for the grievance procedures set forth in Article 11 of this Memorandum of Understanding. Instead, this article is intended to provide a procedure to resolve disagreements affecting the rights of the parties or disagreements arising from the application of the terms of this Memorandum of Understanding affecting the working conditions of a significantly large number of employees in the unit, as distinguished from the rights of individual employees. Accordingly, the parties agree that the procedures set forth herein shall not be implemented where the dispute or complaint involved is or could be effectively brought by an employee or employees, and otherwise processed through the grievance procedures set forth in Article 11 hereof.

ARTICLE 14      EXPEDITED ARBITRATION

1. This is an alternate to the procedure set forth in Section 8, Arbitration, of Article 11, Grievance Procedure and will only be utilized upon mutual written agreement of the parties.
2. A joint submission statement setting forth the issue(s) to be determined will be prepared prior to the hearing by an arbitrator. If the parties cannot agree to a submission statement, the expedited arbitration procedure will not be utilized.
3. Only those grievances which directly concern or involve the interpretation or application of the specific terms and provisions of this Memorandum of Understanding may be submitted to arbitration hereunder. In no event shall such arbitration extend to:
  - A. The interpretation, application, merits or legality of any state or local law or ordinance, including specifically all ordinances adopted by County's Board of Supervisors; unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such state or local law in order to resolve the grievance which has been submitted to the arbitrator.
  - B. The interpretation, application, merits, or legality of any or all of the County of Los Angeles Civil Service Rules, nor matters under the jurisdiction of the Civil Service Commission for which said Commission has established procedures

or processes by which employees or employee organizations may appeal to, or request review by, said Civil Service Commission, including, but not limited to, discharges, reductions, and discrimination.

- C. The interpretation, application, merits or legality of the rules or regulations of the Department Head, the Chief Administrative Office, or any other County department, agency or commission, unless the arbitrator, in his/her discretion, finds it necessary to interpret or apply such rules or regulations in order to resolve the grievance which has been submitted to the arbitrator.
- 4. It is agreed that representatives of the Chief Administrative Office, Employee Relations Division, and Local 660, SEIU, will meet and attempt to implement the procedure within sixty (60) business days from the implementation date of this Memorandum of Understanding.
  - 5. The parties shall select an arbitrator from the panel of arbitrators previously agreed to by the parties and established for the purpose of conducting expedited arbitration proceedings:
    - A. The arbitrator will be compensated at the contracted for flat daily rate. The cost of the arbitrator shall be borne equally by the parties. In addition, each party shall pay for all fees and expenses incurred by that party on its behalf, including but not limited to witness fees.

- B. The parties agree that 1) no stenographic record of the hearing will be made, 2) there will be no representation by counsel except for in-house staff counsel and 3) there will be no post hearing briefs.
6. The arbitrator selected shall hear the grievance(s) within ten (10) working days of his/her selection, and may hear multiple cases during the course of the day. However, six (6) hours of hearings will constitute one day.
7. Arbitration of a grievance hereunder shall be limited to the formal grievance as originally filed by the employee to the extent that said grievance has not been satisfactorily resolved.
8. The arbitrator shall issue a "bench" decision at the conclusion of the parties' testimony. Only by mutual agreement of the parties and the arbitrator will a written decision be issued.
9. The decision of an arbitrator resulting from any arbitration of grievances hereunder shall not add to, subtract from, or otherwise modify the terms and conditions of this Memorandum of Understanding.
10. The decision of the arbitrator shall be binding upon the Union. To the extent the decision and award of the arbitrator does not require legislative action by the Board of Supervisors, such decision and award shall be binding upon the County. If within

sixty (60) days of receiving notice of a decision and award requiring legislative action by the Board of Supervisors, such legislative action is not taken, the arbitrator's decision and award shall have no force or effect whatsoever.

11. Election of this binding forum shall constitute a waiver by all parties to this process of all other administrative processes for the resolution of this dispute in whole or in part and the award shall not be appealed. The decision from this arbitration shall not be precedent setting.
12. The decision of an arbitrator resulting from the arbitration of a grievance under the following Articles shall be entirely advisory in nature and shall not be binding upon any of the parties:

It is agreed that Union dues and such other deductions as may be properly requested and lawfully permitted shall be deducted, in accordance with the provisions of applicable State law, monthly by Management from the salary of each employee covered hereby who files with County a written authorization requesting that such deductions be made.

Remittance of the aggregate amount of all dues and other proper deductions made from the salaries of employees covered hereunder shall be made to the Union by Management within thirty (30) working days after the conclusion of the month in which said dues and deductions were deducted.

Section 2.            Security Clause

Any employees in this unit who have authorized Union dues deductions on the effective date of this agreement or at any time subsequent to the effective date of this agreement shall continue to have such dues deduction made by the County during the term of this agreement; provided, however, that any employee in the unit may terminate such Union dues during the period August 10 through August 31, 2006, by notifying the Union of their termination of Union dues deduction. Such notification shall be by certified mail and should be in the form of a letter containing the following information: employee name, employee number, job classification, department name and name of Union from which dues deductions are to be canceled.

The Union will provide the County's Auditor-Controller with the appropriate documentation to process these dues cancellations within ten (10) business days after the close of the withdrawal period.

Section 3.            Agency Shop Election

Effective January 1, 2004, if at any time during the term of the Memorandum of Understanding, 30 percent of the employees represented by this Bargaining Unit sign a petition to request an agency shop agreement, the Union shall have the right to conduct a secret ballot election at any time during the term of the Memorandum of Understanding to determine whether a majority of the employees in the Bargaining Unit, who vote, are in favor of an agency fee agreement as provided in G.C. 3502.5

This election shall be administered by the Employee Relations Commission. The Employee Relations Commission shall notify the County and the Union of the results of the election. The Union shall pay for the cost of the election.

If a majority of the employees in the Bargaining Unit who cast ballots, vote in favor of an agency shop fee, the Union shall notify the County of its intent to implement an agency shop agreement. Immediately, thereafter, the Union shall notify all employees in the Bargaining Unit that they will be required, as a condition of continued employment, either to join the Union, or to pay the Union a service fee as provided in G.C. 3502.5(a).

If the majority of the employees in the Bargaining Unit, who vote, do not vote in favor of agency shop, the MOU provisions of maintenance of membership set forth in Section 2 shall apply for the term of this MOU.

#### Section 4                      Agency Shop

If a majority of those employees voting, vote in favor of agency shop, then the following provisions shall apply:

##### A.     Agency Shop Defined

It is mutually agreed by the parties that the term, "Agency Shop" means that every employee represented by this Bargaining Unit shall, as a condition of continued employment, either join the certified majority representative organization, or pay the organization a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee; or pay a sum equal to the Agency Shop Fee to a non-religious, and non-labor charitable fund exempt from taxation under Section 501(c)(3) of the Internal Revenue Service Code.

##### B.     Religious Objections

An employee who is a member of a bona fide religion, body, or sect which has historically held conscientious objections to joining or financially supporting public employee organizations, shall not be required to join or financially support the Union. Such employee shall, in lieu of periodic dues or Fair Share Fees, pay sums equal to Agency Shop Fees to a non-religious, and non-labor charitable fund exempt

from taxation under Section 501(c)(3) of the Internal Revenue Service Code. Such sums shall be paid through payroll deduction to eligible charitable agencies available through the Los Angeles County Charitable Giving Program.

C. Rescission

It is mutually agreed by the parties that the agency shop provisions in this Memorandum of Understanding may be rescinded by a majority vote of all the employees represented by this Bargaining Unit under procedures established by the Employee Relations Commission. In the event such agency shop provisions are rescinded, then the procedures as described in Section 1 and 2 shall prevail. There shall be only one election during the term of this Memorandum of Understanding.

D. Union Responsibilities - Hudson Notice

The Union agrees to provide notice and maintain constitutionally acceptable procedures to enable non-member agency shop fee payers to meaningfully challenge the propriety of the use of agency shop fees as provided for in Chicago Teachers Union, Local No. 1, AFT, AFL-CIO et al. v. Hudson, 106 S. Ct. 1066 (1986). Such notice and procedures shall be provided to non-member agency shop fee payers for each year that the agency shop agreement is in effect.

E. Implementation

Any employee hired by the County subject to this Memorandum of Understanding on or after the date of implementation of this Article, shall be provided, through the

employee's department, with a notice advising that the County has entered into an Agency Shop agreement with the Union and that all employees subject to the Memorandum of Understanding must either join the Union; pay a Fair Share Fee equal to Union dues; or pay an Agency Shop Fee to the Union; or execute a written declaration claiming a religious exemption from this requirement. Such notice shall include a payroll deduction authorization form for the employee's signature authorizing payroll deduction of Union dues, Fair Share Fees, Agency Shop Fees or execution of a written declaration claiming a religious exemption from this requirement. Said employee shall have thirty (30) working days following the initial date of employment to fully execute the authorization form of his/her choice and return said form to the Union or departmental payroll office. If the form is not completed and returned within (30) working days, the County Auditor shall commence and continue a payroll deduction of a Fair Share Fee equal to Union dues from the regular pay warrants of such employee.

The effective date of deducting Union dues, Fair Share Fees, Agency Shop Fees, or charitable contributions shall be the first pay period following thirty (30) working days of employment or the pay period this Article becomes implemented for current employees, whichever is later.

F. List of New Employees/Separations

The County will furnish the Union with a monthly list of new employees/separations at the cost established by the Auditor-Controller for processing and photocopying

documents. The list shall contain the name, employee number, date of hire into the Unit, item step salary rate, classification, title, item number, item sub, work location, latest hire date and job appointment date of all employees who enter the Bargaining Unit and who are covered by the Memorandum of Understanding.

Such list shall include new hires, and employees promoted, demoted or transferred into the Bargaining Unit. The monthly list shall also contain information which includes the names and effective dates of employees leaving this Bargaining Unit.

Section 5.                    Indemnification Clause

The Union agrees to indemnify and hold the County of Los Angeles harmless from any liabilities of any nature which may arise as a result of the application of the provisions of this Article.

ARTICLE 16            NEW EMPLOYEE ORIENTATION

Subject to prior approval of the Department Head, Local 660 representatives shall participate in new employee orientation on County time for the sole purpose of providing employees information regarding Union membership.

This Article shall be subject to advisory arbitration.

ARTICLE 17        MANAGEMENT RIGHTS

It is the exclusive right of the County to determine the mission of each of its constituent departments, boards, and commissions, set standards of services to be offered to the public, and exercise control and discretion over its organization and operations. It is also the exclusive right of the County to direct its employees, take disciplinary action for proper cause, relieve its employees from duty because of lack of work or for other legitimate reasons, determine the methods, means and personnel by which the County's operations are to be conducted, to reorganize any county department during the term of this agreement; however, Management shall at the earliest time possible meet and confer with the Union on the impact of any decision to reorganize when such issues are not covered by Civil Service rules or Memoranda of Understanding; provided, however, that the exercise of such rights does not preclude employees or their representatives from conferring or raising grievances about the practical consequences that decisions on these matters may have on wages, hours and other terms and conditions of employment.

ARTICLE 18      FULL UNDERSTANDING, MODIFICATIONS, WAIVERSection 1.

It is intended that this Memorandum of Understanding sets forth the full and entire understanding of the parties regarding the matters set forth herein, and any other prior or existing understanding or agreements by the parties, whether formal or informal, regarding any such matters are hereby superseded or terminated in their entirety. It is agreed and understood that each party hereto voluntarily and unqualifiedly waives its right, and agrees that the other shall not be required, to negotiate with respect to any subject or matter covered herein.

With respect to other matters within the scope of negotiations, negotiations may be required during the term of this agreement as provided in Section 2 of this Article.

Section 2.

It is understood and agreed that the provisions of this Section are intended to apply only to matters which are not specifically covered in this agreement.

It is recognized that during the term of this agreement it may be necessary for Management to make changes in rules or procedures affecting the employees in the Unit.

Where Management finds it necessary to make such change it shall notify the Union indicating the proposed change prior to its implementation.

Where such change would significantly affect the working conditions of a significantly large number of employees in the Unit; where the subject matter of the change is subject to negotiations pursuant to the Employee Relations Ordinance and where the Union requests to negotiate with Management, the parties shall expeditiously undertake negotiations regarding the effect the change would have on the employees in the Unit.

The phrase "significantly large number" shall mean (a) a majority of the employees in the Unit, (b) all the employees within a department in the Unit, or (c) all of the employees within a readily identifiable occupation such as Stenographer or Truck Driver.

Any agreement, resulting from such negotiations shall be executed in writing by all parties hereto, and if required, approved and implemented by County's Board of Supervisors. If the parties are in disagreement as to whether any proposed change is within the scope of negotiations, such disagreement may be submitted to the Employee Relations Commission for resolution.

In the event negotiations on the proposed change are undertaken, any impasse which arises may be submitted as an impasse to the Employee Relations Commission.

### Section 3.

Nothing herein shall limit the authority of Management to make necessary changes required during emergencies. However, Management shall notify the Union of such changes as soon as practicable. Such emergency assignments shall not extend beyond

the period of the emergency. "Emergency" is defined as an unforeseen circumstance requiring immediate implementation of the change.

#### Section 4.

Where Management makes any changes in working conditions because of the requirements of law, including ordinances adopted by the Board of Supervisors, the County shall not be required to negotiate the matter or manner of compliance with such law where the manner of compliance is specified by such law.

#### Section 5.

The waiver of any breach, term or condition of this Memorandum of Understanding by either party shall not constitute a precedent in the future enforcement of all its terms and provisions.

ARTICLE 19      PROVISIONS OF LAW

It is understood and agreed that this Memorandum of Understanding is subject to all current and future applicable Federal, State and County laws; Federal and State regulations; the Charter of the County of Los Angeles, and any lawful rules and regulations enacted by County's Civil Service Commission, Employee Relations Commission, or similar independent commissions of the County. If any part or provision of this Memorandum of Understanding is in conflict or inconsistent with such applicable laws, rules or regulations, or is otherwise held to be invalid or unenforceable by any tribunal of competent jurisdiction, such part or provision shall be suspended and superseded by such applicable law, regulations, or rules, and the remainder of this Memorandum of Understanding shall not be affected thereby.

ARTICLE 20            CONTRACTING OUT AND TRANSFER OF FUNCTIONS

In the event the County enters into any agreement with another public employer or private entity which involves the transfer of functions now being performed by employees in this representation Unit or the law provides for the transfer of functions now being performed by employees in this Unit to another public or private agency, the County will advise such public or private entity of the existence and terms of this Memorandum of Understanding and will immediately advise the Union of such agreement or law. In addition, the County will consult with the employer absorbing a County function to encourage utilization of affected employees by the new employer.

Prior to the release of a Request for Proposal (RFP) the Department shall provide a copy of the RFP to SEIU Local 660 and in coordination with the Chief Administrative Office Employee Relations Division offer to meet and consult with the Union within ten (10) business days.

When advance knowledge of the impact of pending changes in function, organization, or operations is available which will result in the abolishment of positions or when there is any major reassignment of functions from one department to another or to another agency, Management will make an intensive effort to either reassign or transfer affected employees to other positions for which they qualify, or train affected employees for new positions in order to retain their services.

ARTICLE 21      STRIKES AND LOCKOUTS

During the life of this agreement no work stoppages, strikes, slowdowns, or picketing shall be caused or sanctioned by the Union, and no lockouts shall be made by the County.

In the event any employees covered by this agreement, individually or collectively, violate the provisions of this Article and the Union fails to exercise good faith in halting the work interruption, the Union and the employees involved shall be deemed in violation of this Article and the County shall be entitled to seek all remedies available to it under applicable law.

ARTICLE 22            ALTERNATIVES TO LAYOFFS

Section 1.            Board Policy on Work Force Reductions

It is the intent of the parties that during the term of this MOU to comply with the June 21 and April 4, 1995, Board Policy on workforce reductions.

If the County determines that workforce reductions are necessary, it will reduce to the greatest extent feasible the planned number of County personnel to be demoted or laid off by:

- a)     discontinuing non-County contracted temporary personnel (Government Code Section 31000 et. seq.) who perform functions comparable to County positions subject to demotion or layoff, and
- b)     take other action appropriate to mitigate the adverse impact on workforce reductions on permanent employees.

Permanent or temporary County employees laid off will not be replaced by a contract employee.

Section 2.            Department of Human Resources

The Department of Human Resources shall coordinate with Departmental management to implement Board Policy on workforce reductions on a County-wide basis and enhance the County's on-going efforts to find alternative placement for employees subject to layoff or demotion due to workforce reductions. Management shall factor in attrition, implement

transfers of qualified employees to available vacancies, recommend to the Board and/or CAO to reduce or discontinue departmental personnel services contracts, and allow voluntary demotions before laying off any member of a bargaining unit.

In order to further mitigate the adverse impact of workforce reductions the Department of Human Resources and Chief Administrative Office shall coordinate the use of the County's Enhanced Voluntary Time-off program with operating departments.

The Department of Human Resources and department Management shall implement a program which will match employees scheduled to be laid off with departments who are hiring workers.

### Section 3.                    Civil Service Rules

Nothing in Section 1 and 2 of this Article shall limit the Director of Human Resources or the appointing authority's discretion to implement layoffs pursuant to Civil Service Rules.

### Section 4                    Proposition A Contracts

Where permanent employees in this Unit have received a notice of layoff, or are on a County re-employment list, the Department of Human Resources and department management will make every reasonable effort to place or, if laid off, rehire such employees prior to using any new Proposition A contract employee provided such County employees are qualified to perform the available work.

Nothing in Section 4 has any impact on Proposition A contracts in effect on October 1, 1993. New Proposition A Contracts do not include Proposition A contract renewals, extensions, or rebids of existing Proposition A contracts.

Section 5.                    Notice Provisions for Layoffs and Demotions

To the greatest extent feasible the Department of Human Resources and/or Department Management will give ten (10) business days notice prior to any layoff, demotion, or involuntary transfer of a permanent County employee.

ARTICLE 23      EMPLOYEE BENEFITS

The parties agree that the provisions of the Memoranda of Understanding regarding Fringe Benefits, Mileage and Retirement between the County of Los Angeles and SEIU, Local 660, AFL-CIO in effect during the term of this agreement shall apply to employees in this Unit.

ARTICLE 24      ASSIGNMENT OF ADDITIONAL RESPONSIBILITIES

Any permanent, full-time employee shall be entitled to additional compensation equivalent to two standard salary schedules for the performance of additional responsibilities of a higher level which are assigned or approved by the Department Head or designated Management representative and approved by the Chief Administrative Office.

Within ten (10) business days, the Department shall notify an employee in writing of the approval or denial of his/her written request for the additional responsibilities bonus.

To qualify for this additional compensation, a full-time, permanent employee must either perform significant duties of a higher level class or be assigned a special project or assignment which requires the performance of additional duties and carries additional responsibilities beyond those typically assigned to the employee's class. The assignment of additional duties normally performed by incumbents of the employee's class shall not qualify for this additional compensation.

This additional compensation shall begin on the first day the additional responsibilities are assigned by Management and performed by the employee and shall end on the day the additional responsibilities are no longer performed. Management shall notify the employee of the termination of any assignment for which he or she qualifies for the additional responsibilities bonus. In no event shall an employee receive compensation pursuant to this Section and receive the out-of-class bonus pursuant to Article 25 for the same assignment.

The additional compensation provided in this Article shall not constitute a base rate.

## ARTICLE 25            OUT-OF-CLASS ASSIGNMENTS

### Section 1.            Definition

- A. For the purpose of this Article, an out-of-class assignment is the full-time performance of all the significant duties of an allocated vacant\*, funded position in one class by an individual in another class.
  
- B. The amount of the bonus shall be two standard salary schedules and shall not constitute a base rate. When a class is compensated on a flat rate, the amount of the bonus shall not exceed 5% of the base rate. Where the difference between rates of the employee-s class and the out-of-class assignment is less than the above bonus, the employee shall receive the rate for the higher class. This bonus is paid pursuant to the conditions described below.

### Section 2.            Conditions

- A. If an employee is assigned to an out-of-class assignment for more than twenty (20) consecutive working days, Management shall upon the employee's or Union's written request for relief either:

appoint the employee according to Civil Service Rules. If the person is appointed within thirty (30) calendar days from the date of request for relief, no bonus under this article is to be paid;

---

\*For the purpose of this article, vacancies due to leaves of absence shall be defined as in County Code Section 6.20.110.

return the employee to an assignment in his/her own class. If such return is made within thirty (30) calendar days of the request for relief, no bonus under this article is to be paid; or

pay the employee the bonus. The bonus is paid from the date of request for relief, and terminates when the conditions of this article are no longer met.

This bonus is not applicable to persons employed on a temporary, recurrent, or less than full time basis.

- B. It is the intent of Management to avoid working an employee on an out-of-class assignment for a prolonged period of time.

### Section 3. Special Provisions

- A. Nothing herein shall be construed to limit the authority of Management to make temporary assignments to different or additional locations, shifts or work duties for the purpose of meeting emergency situations over which the department has no control. However, such assignment shall not extend beyond the period of such emergency.
- B. Nothing in this article shall be construed as limiting Management's authority to make temporary incidental assignments on higher rated classifications work, or to assign employees out-of-class for the purpose of training without any additional compensation for the duration of such training.

Written confirmation of such assignment will be placed in the employee's personnel file upon request of the employee.

- C. It is agreed that the provisions of this article will be applied within departments and districts within the County and is not intended to apply across departmental organizational units.
- D. Upon the employee's written request a written confirmation of his/her out-of-class assignment shall be placed in the employee's personnel file after completion of the out-of-class assignment. A copy will be provided to the employee.
- E. Grievances filed under this article may be filed under the expedited arbitration procedure set forth in this MOU.

ARTICLE 26            POSITION CLASSIFICATION STUDYSection 1.            Definition and Authority

For the purpose of this article, a classification study is a study by the Director of Personnel or by the Personnel Office of the Department, of the duties and responsibilities assigned to a position in order to determine whether the position is properly classified.

Section 2.            Intent

It is the intention of the parties that this article be included only to inform employees of the established processes and procedures to follow when requesting a classification study on their own behalf, and to further inform them of the parties' understanding on the acknowledgment of such studies and follow-up reports.

Section 3.            Procedures

A request for a classification study by an employee who believes his/her position is misclassified must be submitted in writing to the employee's department. If the employee's department cannot support the employee's request, it will be returned to the employee within thirty (30) days with an explanation. If the employee still believes the request is justified, the employee has the right to resubmit the request to the employee's department, which shall in turn schedule and conduct a classification study as defined by the Director of Personnel.

Section 4.                    Acknowledgment and Follow-Up Reports

Management agrees that all employee-initiated classification study requests shall be promptly acknowledged. Further, the department will inform the employee, and the Union may request a status report on the estimated completion date of the study. The departmental Management will keep the employee informed of study progress and forward written objections from the employee to either the Director of Personnel or the departmental Personnel Office, whichever is appropriate. It is further agreed that, if, within ninety (90) days, no action has been taken on an employee-initiated study, the departmental Personnel Officer or the Director of Personnel shall provide progress reports to the employee and to the Union upon the request of either.

The County agrees to provide Local 660 notice and consult pursuant to County Code Section 5.04.090 (A) regarding new classifications, the primary duties of which are derived from Local 660 represented classifications. Further, subject to approval of said new classifications by the Board of Supervisors, and upon accretion of said classes to the appropriate bargaining unit, upon the request of Local 660, the parties agree to negotiate and recommend proposed salaries to the Board of Supervisors for approval. Nothing in this paragraph shall limit Management's authority to classify or reclassify County positions pursuant to Civil Service Rule 5, Classification.

ARTICLE 27      PERSONNEL FILES

An employee, or his/her certified representative with the written consent of the employee, may inspect that employee's personnel file with the exception of all material obtained from other employers and agencies at the time that employee was hired.

An employee shall be advised of, and entitled to read, any written statement by the employee's supervisor or departmental Management regarding his/her work performance or conduct if such statement is to be placed in his/her personnel file. The employee shall acknowledge that he/she has read such material by affixing his/her signature on the copy to be filed, with the understanding that such signature merely signifies that he/she has read the material to be filed but does not necessarily indicate agreement with its content. If the employee refuses to sign, the supervisor shall note his/her refusal on the copy to be filed along with the supervisor's signature and the signature of a witness to the employee's refusal to sign.

The employee may file a grievance regarding any such document within the prescribed time limits of the grievance procedure. If the employee fails to file a grievance within the designated time limits, the document becomes part of the official file. If the employee does file a grievance within the designated time limits, said document shall not be placed in the official file nor referenced in any Performance Evaluation or Appraisal of Promotability until the grievance procedure or civil service appeal rights have been exhausted. Grievances filed under this provision shall not be subject to the Arbitration provisions of the Grievance Procedure unless they involve violation of a specific provision of this agreement.

Management agrees that no properly used full paid sick leave used in the twelve months immediately prior to an Appraisal of Promotability or a Performance Evaluation will be referenced on such forms.

On reviewing his/her personnel file, an employee may request and have any written warnings issued more than one year prior placed in an envelope and sealed in his/her personnel file except as such may be a part of an official permanent record. On the face of the sealed envelope it shall read "The contents herein shall be disclosed only upon written consent of the subject employee or by subpoena or other legal process from a public body of competent jurisdiction." The date the contents of the sealed envelope will be destroyed shall also appear on the face of envelope. That date shall be two (2) years from the date of issue of the documents in the sealed envelope.

An employee on reviewing his/her personnel file, may request and have any written warnings or reprimand(s) issued more than two (2) years prior removed from his/her personnel file except as such may be a part of an official permanent record.

ARTICLE 28        LEAVES OF ABSENCESection 1.        Medical Leave

Pursuant to applicable provisions of the Civil Service Rules, County Code, and other law, medical leaves of absence will be granted by the employee's Department Head upon request only upon submission of a doctor's certificate or other satisfactory medical evidence of the employee's need for such leave.

Section 2.        Educational Leave

Pursuant to applicable provisions of the Civil Service Rules, and subject to the staffing needs of the department, educational leaves will be granted to permanent employees upon presentation of a plan for schooling designed to improve the employee's value to the County, and evidence of acceptance by an accredited college or university.

Section 3.        Pregnancy Leave

The parties agree that departmental Management shall grant a leave of absence without pay to any full-time permanent employee who becomes disabled as a result of pregnancy, which disability prevents her from performing the duties of her position. Such leave must be requested in writing by the employee and will be granted pursuant to Civil Service Rules and such procedures as are determined by the Director of Personnel and by the Department Head.

The parties further agree that upon commencement of an authorized pregnancy leave of absence, any full-time permanent employee disabled as a result of pregnancy, which

disability prevents her from performing the duties of her position as certified by her primary care giver (physician, nurse practitioner or nurse mid-wife), may use sick leave benefits for which she is otherwise eligible in the same manner as for any other disability resulting from sickness or injury. Additionally, the employee may use accrued vacation, holiday or compensatory time when on an authorized pregnancy leave of absence during such period of disability.

#### Section 4. Employee Organization Leave

LACEA, Local 660, SEIU requests for employee organizational leave shall be made in writing to the affected Department at least ten (10) business days in advance of the leave. LACEA, Local 660, SEIU may have not more than ten (10) employees in the Unit on leave of absence to accept employment with LACEA, Local 660, SEIU. These leaves are subject to the Civil Service Rules.

The employee must have a minimum of one (1) year's continuous employment with the County. The requested leave shall only be granted if the prime reasons for the leave shall be to conduct LACEA, Local 660, SEIU business as it is related to County functions. The leave shall be without County pay or benefits of any kind. In no case shall an individual employee's leave extend beyond a year. Except by mutual agreement, no more than one (1) employee shall be on such leave from any given department.

Section 5.            Family Leave

- A.     The parties agree that employees covered by this Memorandum of Understanding are subject to the provisions of the State Family Rights Act of 1991 and the Federal Family and Medical Leave Act of 1993.

"Nothing in this Section is intended to provide additional benefits beyond what is mandated by Federal and/or State Law, except that a domestic partner and their children may qualify an employee as eligible for FMLA/CFRA".

- B.     The parties agree that within sixty (60) days of implementation of this contract, upon the request of the employee, the County shall provide the employee with a summary of the County of Los Angeles Family Leave Policy Guidelines.
- C.     Absences incurred for a Family Leave qualifying reason may not be used for purposes of placing or keeping an employee on certified time or cited or referenced in any Performance Evaluation or Appraisal of Promotability. Employees on certified time with FMLA qualifying absences shall not be required to provide medical certifications for those FMLA absences above and beyond the medical certification requirements in the County Family Leave Policy.
- D.     An employee shall be entitled to file a grievance for violation of the provisions of this Article in addition to the rights provided by law.

Section 6.            Jury Duty and Witness Leave

During the time an employee is actually reporting to the court for jury duty and following receipt of "Certificate of Jury Service" (Jury Form 4), the Department Head or his/her designate will convert the employee's usual shift to a regular five-day Monday through Friday day-shift basis.

Any person holding a permanent position ordered to serve on a jury shall be entitled to his/her regular pay provided the employee deposits his/her fees for service, other than mileage, with the County Treasurer.

Whenever any full-time permanent employee is required to be absent from work by a proper subpoena, issued by a court or commission legally empowered to subpoena witnesses, which compels the employee's presence as a witness, unless the employee is a party or an expert witness, the employee shall be allowed the time necessary to be absent from work at the employee's regular pay to comply with such subpoena, provided the employee deposits any witness fees, except mileage, with the County Treasurer.

## ARTICLE 29      ENHANCED VOLUNTARY TIME-OFF PROGRAM

### Program Description:

EVTO is a special temporary program through which employees may individually volunteer to help reduce County Expenditures during periods of budgetary shortfall by taking one or more unpaid leaves of absence without the full loss of benefits usually associated with unpaid leave. This program will assist in achieving budgetary savings without significant adverse impact on critical public services.

### Program Requirements:

The EVTO program includes the following elements and requirements:

- Implementation of the provisions of the Enhanced Voluntary Time – Off Program within each Department shall be subject to prior authorization by the Chief Administrative Officer.
- The Chief Administrative Officer may establish procedures and issue administrative instructions regarding the operation of the Enhanced Voluntary Time-Off Program.
- In order to maintain critical public services, all requests by employees for unpaid EVTO leave must be in writing and be approved in advance by the Department Head or his/her designee.
- During specific times each fiscal year, employees who wish to participate in EVTO will pledge the number of hours to be taken as EVTO. This will assist the departments in determining projected savings.

- In the event of an industrial injury or unforeseen hardship which significantly impacts an employee's decision to request EVTO, such employee shall be able to rescind or modify his or her EVTO pledge. However, a change or modification in scheduling days off must be approved by department Management.
- In the event of a County emergency affecting public health or safety, a Department Head may rescind all or part of any EVTO pledge, and require such employee to return to work immediately. Nothing in this paragraph reduces the authority of a Department Head to terminate any leave of absence as described in Civil Service Rule 16.04.
- An employee may take up to sixty (60) calendar days of EVTO each fiscal year during this program (see below for EVTO after sixty (60) days) with the following benefit guarantees:
  - EVTO may be taken as sixty (60) or fewer consecutive calendar days; as a reduced work-week schedule (4/36 or other); or as occasional days off with Management approval.
  - EVTO will not affect flexible benefit plan County contributions, or vacation and sick leave accrual. However, employees may wish to schedule occasional EVTO days to avoid loss of pay for weekend and holiday days.

- An employee will receive retirement credit for each month in which the employee has any retirement eligible earnings. In the event the employee's earnings are less than enough to pay the employee contribution to LACERA, the employee may pay the required employee contribution directly to LACERA to receive retirement credit for that month. Such payments shall be made within thirty (30) days following the end of the month in which the contribution was not made.
- EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
- An employee may take a total of one (1) year of EVTO with the following parameters:
  - A full year of EVTO will not constitute a break in service and will count towards time in service for step advancement and continuous service date.
  - After the first sixty (60) days of EVTO, the sixty (60) day EVTO benefit guarantees will not apply.
  - Retirement service credit will not accrue during this period.
- FLSA Non-exempt employees may request EVTO in increments as little as one hour.

- FLSA Exempt employees must request EVTO in full work day increments.
- EVTO is granted without requiring employees to first use accumulated vacation and compensatory time-off.
- EVTO is not available to employees on any other paid or unpaid leave.
- Department Heads may continue to approve other unpaid leave of absences.
- If the employee's request is not approved, Management will respond in writing to the employee giving the reason(s) for denial.

Within sixty (60) days from the effective date of this Memorandum of Understanding, Local 660 may request a computer tape listing of the names, employee numbers, item numbers, item title, item sub., department numbers and pay location of all employees in the Unit. Every reasonable effort shall be made to provide the computer tape listing in the format specified by Local 660. Such computer tape listing may be requested up to four (4) times a year, it being agreed that Local 660 shall pay to the County \$100.00 for each computer tape listing.

Should Local 660 request a computer tape listing for this Unit and simultaneously request a computer tape listing for other Units represented by Local 660 the combined cost for such computer tape listing shall be \$1000.00. - A.     Employee shall not be directed by management to take compensatory time off without at least ten (10) business days notice or be denied a timely request to take such time off.

Requests for time-off will be approved based on the needs of the service as determined by management.

- B.     With prior approval of departmental management, accumulated compensatory time not used during the calendar year in which it is earned may be carried over one (1) additional calendar year during which it must be taken. Compensatory time not used within the above period shall be paid to the employee at the straight time rate rather than lost.

Section 3.                    Savings Clause

If, during the term of this agreement, the Fair Labor Standards Act is delayed by law or is determined not to be applicable to all or any classification of public employees or public agencies through legislation, regulation, or court decision, the overtime provisions of the 1983-85 MOU shall be reincorporated into this MOU and applied in this Unit and any contrary language shall be deleted subsequent to the effective date of such action.

Section 4.                    Distribution of Overtime

Management shall assign overtime work as equitably as possible among all qualified employees in the same classification in the same organizational work unit and work location. In the assignment of overtime under this provision, however, management may consider special skills required to perform particular work.

Section 5.

An employee who works a four (4) day - 40 hour week schedule or a nine (9) day - 80 hour two week schedule and who uses benefit time or compensatory time to cover the balance of a day in which they receive an eight (8) hour holiday, the benefit time or compensatory time used shall be treated for purposes of overtime computation in the same manner as the eight (8) hours of County holiday time.

ARTICLE 48. SPECIAL PAY PRACTICESSection 1.

- A. Any person employed in the Sheriff's Department items of Senior Baker (Item No 6377), Head Baker (Item No. 6378), Head Cook (Item No. 6402), Chief Cook (Item No. 6405), and Senior Butcher (Item No. 6386), shall be compensated at a rate one schedule higher than that established for such position in this Memorandum of Understanding.
- B. Any person in this Unit employed in the Department of Public Works who is certified by the State of California to work with explosives or, who directly assists any employee in the Department who is certified by the State of California to work with explosives shall be entitled to additional compensation at the rate of \$.50 per hour more than that provided for in Section 1 of Article 49 of this Memorandum of Understanding for each hour actually worked in any assignments requiring the handling, placement or discharge of explosives.
- C. Any person employed in the Department of Probation in the item of Head Cook (Item No. 6402) shall be compensated at a rate one schedule higher than that established for such position in this Memorandum of Understanding.
- D. Any person employed in the Internal Services Department in the item of Transportation Services Supervisor I shall be compensated at the rate one schedule higher than that established for such position in this Memorandum of Understanding.

- E. Effective October 1, 1991, notwithstanding any other provision of this MOU, persons in the bargaining unit, in the Department of Public Works, who, at the request of management obtain or re-new a class "A" or "B" motor vehicle license, restricted chemical applicator certificate, or other license or certificate, that is not as normal practice, required for the class in which they are employed, shall be reimbursed for the specific cost of such license or certificate as charged by the issuing agency.

Section 2.            Call Back

Whenever an employee is unexpectedly ordered by his Department Head or designated management representative to return to work following the termination of his normal work shift or normal workweek and departure from his work location, the employee shall receive a payment of four hours' pay at the rate of time and one-half of the employee's regular rate of pay. Work performed in excess of four hours will be compensated for in accordance with the provisions of the Overtime article. If an employee should complete work required, leave the work location, and subsequently be recalled during the four-hour period being compensated for as a result of the initial call back, no additional compensation will be paid until four hours have been worked by the employee; i.e., there shall be no pyramiding of time and one-half pay as a result of call back.

If an employee's work schedule must be altered to accommodate operational requirements on any scheduled work day and the employee is required to report for work up to two hours earlier than his normal shift starting time, this shall be considered an early shift start and not a call back. Employees assigned to an early shift start will be allowed to work to the end of their normal shift provided work is available in their classification.

Section 3.            Standby Pay

It is understood and agreed that effective January 1, 1996, employees in this unit who are assigned regularly scheduled periods of authorized standby service at off-duty times shall receive a 75 cents per hour bonus for such service to a maximum of \$100.00 per month.

Management shall specify at the beginning each quarterly period commencing January 1, 1996, the number of employees by classification that are required to be available for standby work. Each employee within a department may specify to the department that such employee does not desire to be available for standby work. In the event an insufficient number of employees are available for such standby work, then the department may assign standby work to employees on the basis of the least senior employees in the department being so assigned.

No additional compensation for stand by status shall be made since the employee placed on stand by status is not "unreasonably restricted" as defined by the Fair Labor Standards Act.

Section 4.            Shift Premium

Second (swing) shift employees shall receive a premium of fifty (50) cents per hour. The second shift is one in which five-eighths (5/8) of the employee's straight time hours of work fall between 4 p.m. and 11 p.m.

Third (graveyard) shift employees shall receive a premium of fifty (50) cents per hour. The third shift is one in which five-eighths (5/8) of the employee's straight time hours of work fall between 9 p.m. and 8 a.m.

The parties agree to jointly recommend to the County's Board of Supervisors that effective July 1, 2001, the shift premium for the second (swing) and third (graveyard) shifts shall increase by \$.10 hour to a total of \$.75 per hour above the established rate for the classification.

A. FINANCIAL CRISIS

It is understood by the parties to this MOU that Los Angeles County receives revenue from sources that are unpredictable and over which the County has no control. It is further understood that any significant reduction in these revenues could create a financial emergency for Los Angeles County.

For the sole purpose of modifying Article 56, Section 1 of this MOU, no later than October 1 of each year, the Board of Supervisors may declare a financial emergency. Such a declaration will be made only in the event of a significant reduction in anticipated on-going local revenues, significant State or Federal reduction in revenues, and/or a shift in costs resulting in major increased expenditures having a County-wide implication.

If a declaration of financial emergency is made, then any prospective scheduled salary increases for the fiscal year found in Article 49, Section 1 are cancelled and the parties shall re-open negotiations on all economic issues.

No financial emergency will be declared without meeting and consulting with the Union. The declaration of a financial emergency shall not be subject to the grievance or arbitration procedure found in any MOU between the parties.

The provisions of Section 1(A) shall terminate on September 30, 2006.

B. OPTIONS/SALARY – COORDINATED BARGAINING

At SEIU Local 660's sole option, the Union may re-open the 2003-2006 Fringe Benefit MOU (Article 8, Options) and the Individual Unit Contracts (Salary Article) for the purpose of negotiating a shift of general movement salary dollars to increase the County's Options (Health Insurance) contribution in 2005 and/or 2006.

Section 2.                    Vacation For Pay Program

A. Vacation Usage

Any special vacation earned during the period from October 1, 1993, through June 30, 1994, may be used with the prior approval of management.

B. Payoff of Special Vacation

On or after August 1, 1995, at the employee's option, unused special vacation may continue to be taken as time off, subject to prior management approval, or may be converted to pay. An employee electing payment for any portion of the employee's special vacation balance, may submit a request to management and, within 45 days of that request, shall be paid at the workday pay rate then in effect for the employee. Any employee who terminates County employment shall be paid upon termination at the workday rate then in effect for any remaining special vacation granted pursuant to this article. It is understood that the Board of Supervisors may direct at any time prior to termination that some or all employees be paid at the workday pay rate then in effect for the employee for some or all of the unused special vacation.

Section 3                      Step Advances

- a. Full-time permanent employees in this Unit who are below the top step of the salary range and who are eligible for an annual step advance will be granted a step advance only when a competent or better Performance Evaluation has been filed by the employee's department head. The Performance Evaluation shall be filed at least one month prior to the employee's step advance anniversary date and within a period which does not exceed one year prior to that date.
- b. If no performance review is filed as defined in a. above, or if an employee receives an Improvement Needed Performance Evaluation, the employee's step advance will not be granted on the date due.

Where no Performance Evaluation is issued in accordance with Paragraph a. above, the employee may request his department in writing to issue a Performance Evaluation.

The department head shall issue a Performance Evaluation within five days of the employee's request. If said Evaluation is competent or better, the employee shall be granted a step advance effective to his step advance anniversary date.

c. Grievances arising out of this section shall be processed as follows:

- (1) Where no Performance Evaluation has been issued in accordance with Paragraph b. above, the employee may file a grievance with the Department of Human Resources.

If the Department of Human Resources fails to obtain issuance of such Performance Evaluation within ten days after the grievance is filed with the Department of Human Resources the employee shall be deemed competent and the step advance shall be processed within 30 days effective to his step anniversary date.

- (2) Where the department head issues a Performance Evaluation upon request of the Department of Human Resources and said Performance Evaluation is competent or better, the employee shall be provided a step advance within 30 days effective to his step advance anniversary date.

- (3) Grievances based on an Improvement Needed Performance Evaluation shall be filed within ten days of issuance with the department head or his designated representative who shall respond to the grievance within ten days. Appeals from a department head decision shall be processed in accordance with Civil Service Rules.

- d. During the term of this agreement, should any changes be made in the existing categories of Performance Evaluations which adversely impacts the application of this section, the parties agree to meet and renegotiate this section.

In the event an agreement cannot be reached through negotiations, it is agreed that the Union may submit the dispute to arbitration. The arbitrator shall issue an award on the step advances as affected by the changes in existing categories of Performance Evaluations.

#### Section 4.

The parties having jointly reviewed and considered all available salary and wage information and data, agree that independent of their relationship to prior salaries, the recommended salaries set forth herein were negotiated in good faith, and that said salaries were determined independently of race, gender, age or national origin.

***It is the intent of the parties that this Appendix is provided for Informational purposes only and shall not be subject to Arbitration.***

## **APPENDIX A**

### **Your Rights Under The Family and Medical Leave Act of 1993**

**FMLA requires covered employees to provide up to 12 weeks of unpaid, job-protected leave to “eligible” employees for certain family and medical reasons. Employees are eligible if they have worked for a covered employer for at least**

**one year, and for 1,250 hours over the previous 12 months, and if there are at least 50 employees within 75 miles.**

#### **Reasons For Taking Leave:**

Unpaid leave must be granted for any of the following reasons:

- to care for the employee's child after birth, or placement for adoption or foster care;
- to care for the employee's spouse, son, or daughter, or parent, who has a serious health condition; or
- for a serious health condition that makes the employee unable to perform the employee's job.

At the employee's or the employer's option, certain kinds of paid leave may be substituted for unpaid leave.

#### **Advance Notice and Medical Certification:**

- The employee may be required to provide advance leave notice and medical certification. Taking of leave may be denied if requirements are not met.
- The employee ordinarily must provide 30 days advance notice when the leave is “foreseeable.”
- An employer may require medical certification to support a request for leave because of a serious health condition, and may require second or third opinions (at the employer's expense) and a fitness-for-duty report to return to work.

#### **Job Benefits and Protection:**

- For the duration of FMLA leave, the employer must maintain the employee's health coverage under any group health plan.

- Upon return from FMLA, most employees must be restored to their original or equivalent positions with equivalent pay, benefits, and other employment terms.
- The use of FMLA leave cannot result in the loss of any employment benefit that accrued prior to the start of an employee's leave.

#### **Unlawful Acts By Employers:**

FMLA makes it unlawful for any employer to:

- interfere with, restrain, or deny the exercise of any right provided under FMLA.
- discharge or discriminate against any person for opposing any practice made unlawful by FMLA or for involvement in any proceeding under or relating to FMLA.

#### **Enforcement:**

- The U.S. Department of Labor is authorized to investigate and resolve complaints of violations.
- An eligible employee may bring a civil action against an employer for violation.

FMLA does not affect any Federal or State law prohibiting discrimination, or supersede any State or local law or collective bargaining agreement which provides greater family and medical leave rights.
